BiG5ZiG – Mari yakavandudzwa

BiG5ZiG – Imali ethuthukisiweyo

Zimbabwe is a nation shaped by powerful Big 5s

First, the **Big 5** in our people: our resilience, our entrepreneurship, our Ubuntu, our creativity, and our courage. These qualities define how we live, work, and move forward together.

Then, the **Big 5** in our wildlife, the lion, elephant, buffalo, leopard, and rhino.

These are timeless symbols of our national pride and strength.

And the Big 5 in our land: the landmarks that tell our story: Victoria Falls, Great Zimbabwe, Kariba Dam, Matopo Hills and our imposing new Parliament Building.

These are the landscapes that hold our heritage.

The upgraded “**Big Five**” ZiG series introduces enhanced quality, design, security, and durability across all denominations. Each note’s design is inspired by Zimbabwe’s unique heritage, iconic landscapes, and rich wildlife, and highlights the spirit of its people.

The series underscores stability, growth, resilience, and inclusivity while delivering modern and secure currency for everyday use. Our Currency, Our Future, Our Pride.
